Dear Mr. Lockhart:

By correspondence dated February 28, 1991, EPA and CDH granted approval of your request for an extension of the submittal deadline for the Draft Phase I RFI/RI Work Plan for Operable Unit 3. However, the new submittal date indicated in that letter, July 7, 1991, was incorrect. The correct submittal date for the Draft Phase I RFI/RI Work Plan for Operable Unit 3 is July 10, 1991.

As stated in the previous letter, EPA and CDH expect that no further delays will be encountered and that this extension will not affect any other IAG schedule. If you have any questions, please contact Bonnie Lavelle at (303) 294-1067.

Sincerely,

A handwritten signature in cursive script that reads "Martin Hestmark".
